

## Third Party Links

Links to non-credit union websites are offered only as sources of information on subjects that may be of interest to our members. While providing third party links to our members, The State Highway Patrol FCU does not endorse, is not responsible for, or in any other way ensure the accuracy of said third party sites. The credit union is not responsible for the content of the alternate site, nor do we represent either the third party or the member if the two enter into a transaction. Please also keep in consideration that the third party companies privacy and security policies may differ from those practiced by the credit union. Should a third party link be found inaccurate or offensive, please contact us and we will review the link for removal from our site.
